The objective for this project was to do research on "Burning Man," and then use that inspiration to create a sculpture. The two stipulations for our sculpture were: the medium had to be matches, and we had to depict a bird.

My bird is a “Common Raven,” a dead raven. It is just a skeleton, with a charred heart. This piece is meant to be the opposite of the dove, a love bird. It is representing the utter heartbreak love brings.

PEOPLE FROM ALL DIFFERENT BACKGROUNDS BECOME UNITED AT ENCURCILE. BISHOPS, PARENTS, STUDENTS, AND LGBTQ ARE ALL BENEFITTING FROM ENCURCILE.

A UNIQUE ASPECT OF ENCURCILE, IS THE FACT THAT IT IS A RESOURCE FOR THE FAMILY AS WELL AS THE INDIVIDUAL.

THEM IS ALSO A GREAT WAY TO SERVE THE COMMUNITY. THERE ARE COUNTLESS VOLUNTEER OPPORTUNITIES, WITH A WIDE VARIETY OF OPTIONS OF WHAT TO HELP WITH.

THIS IS A PLACE WHERE FAMILIES AND THEIR LGBTQ CHILDREN CAN FIND THERAPY AND A SENSE OF COMMUNITY.

-SUICIDE IN UTAH RESEARCH-

SUICIDE RESEARCH IS DIFFICULT BECAUSE THOSE WHO HAVE COMMITTED SUICIDE ARE NOT HERE TO SPEAK FOR THEMSELVES.

SUICIDE IN UTAH HAS INCREASED BY 141%

“THIS IS A UTAH PROBLEM”

SUICIDE IS THE LEADING CAUSE OF DEATH IN UTAH FOR CHILDREN AGES 11-17. AS OF 2014 CAR ACCIDENTS WERE THE LEADING CAUSE OF DEATH. THIS HAS DREAMATICALLY CHANGED. THE SUICIDE HAD TRIPLED SINCE 2007. THIS INCREASE HAS NOT BEEN SEEN THROUGHOUT THE COUNTRY, ONLY IN UTAH. THE SUICIDE RATE HAS ALWAYS BEEN HIGH FOR ADULTS IN UTAH. HOWEVER, THERE HAS BEEN A DRAMATIC INCREASE FOR AGES 11-17. UTAH HAS THE FIFTH HIGHEST SUICIDE RATE IN UTAH.

BUT WHY US?

A FACTOR THAT IS UNIQUE TO UTAH IS THE RELIGIOUS PRESSURE FROM THE CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS. LGBTQ YOUTH WITHIN THIS RELIGION OFTEN FEEL UNLOVED BY THEIR FAMILIES AND COMMUNITY. YOUTH WHO FEEL THEY ARE HIGHLY REJECTED BY THEIR FAMILY MEMBERS OR COMMUNITY WHEN THEY COME OUT AS LGBTQ ARE 8 TIMES HIGHER RISK OF SUICIDE.

MY PERSONAL RESEARCH...

WHILE I WAS IN HIGH SCHOOL, THERE WERE 4 SUICIDES. THE SHOCKING FACT IS THAT 2 OF THE 4 STUDENTS WHO TOOK THEIR OWN LIVES, IDENTIFIED AS LGBTQ.
The entry way consists of a warm gray brick. This brick is used to cover a large section of the wall, and over the bench in front of the fireplace. The fireplace is warm, inviting, and unique. There is rainbow lights which shine directly on the fire, causing the appearance of colorful flames. The fireplace is the focal point of the entry way. The purpose of the fireplace to immediately bring the feeling of comfort in a nontraditional area. The bench in front of the fireplace will serve the purpose of allowing people to sit, warm up, and have conversation. The phrase I chose to incorporate was “welcome home.” This is a metal installation on the wall. The goal of this design is to assure that anyone who walks through the door will feel safe, and at home.

My design utilizes the shape of a circle frequently. It has many dangling beads. The beads form smaller individual circles. The rainbow colors represent the LGBTQ community in a tasteful and interesting way. The light causes the beads to create interesting cast shadows. The use of magazine cutouts in this design is perhaps my favorite part. I cut out the words “No Sides Only Love.” When the lamp is on, the words are clearly visible.

Designed specifically for Encircle. The design reflects their mission and message. “No sides, only love.” This is accomplished through the use of color, shape, and text. The materials used in the lamp include wood, trace paper, beads, and wire.
